Lampiran 1 ERP System

The screenshot displays the ERP SYSTEM 172.16.160.10 (JKT Label Status) interface. The main window shows a detailed data table with columns for LOT #, Style, DPO, and various status indicators. The table is filtered by 'First Quality' and 'W NIKE REVOLUTION 7'. The data is organized into a grid with multiple rows and columns, showing various product details and status information.

LOT #	Style	DPO	3478305	3478306	3478307	3478308	3478309	3478310	3478311	3478312	3478313	3478314
